## PYP After School Clubs 2025-2026

Short description of each homeroom club.

Story Time Club	This club is all about enjoying stories in different ways—through read-alouds, videos, and other fun formats. Students get to relax, listen, and experience new adventures while building a love for storytelling.
Geography Club	Explore the themes of geography and different countries around the world.
Play and Clay	Use your fine motor skills to create and play
Digital Writing	Using the online platform Canva to learn how to publish various digital literacy pieces from adverts to slides, videos and working with editing tools.
Play-it All Club	Play a wide range of games from team and drama games to active and card games.
Mandala Colouring	Explore your creativity and practice mindfulness by colouring beautiful mandala patterns. The activity helps children relax on a Friday after a full week of learning.
Lego and Puzzle Club	In this club, students will build and think creatively through free play with LEGO and engaging puzzles and challenges.
Game Masters Guild	Strategize and collaborate in various games, and role play activities.
Origami Club	Students will investigate how to create their own origami.
Action Club	Have you ever wanted to make a change or take action? This club is for you.
Art Club	Through various mediums and artistic styles students will create their own personal “Artist’s Book”.
Library Club	Learn to organise the library and to add style by creating book displays, making recommendations and playing.

\*Hip Hop, Singing, Yoga, Floorball and Ballet are offered at an additional cost.
