PYP After School Clubs 2026-2027 - All clubs begin at 14:45 unless otherwise noted on the grid.

Short description of each homeroom club.

Story Time Club	This club is all about enjoying stories in different ways—through read-alouds, videos, and other fun formats. Students get to relax, listen, and experience new adventures while building a love for storytelling.
Creativity Lab	In this club students will work in teams to tackle building, engineering and theatrical improvisation challenges that encourage creative problem-solving skills!
Embroidery Club	Take your old clothes and make them new through embroidery. Learn the basics of embroidering and take it as far as you can.
Paper Crafts	Have you ever designed a paper airplane? This club is for you. Learn to design all types of flying crafts.
Play-it All Club	Play a wide range of games from team and drama games to active and card games.
Mindful Colouring	Explore your creativity and practice mindfulness by colouring beautiful mandala patterns. The activity helps children relax on a Friday after a full week of learning.
Lego and Puzzle Club	In this club, students will build and think creatively through free play with LEGO and engaging puzzles and challenges.
Game Masters Guild	Strategize and collaborate in various games, and role play activities.
Origami Club	Students will investigate how to create their own origami.
Active Club	Stay active on Friday afternoon by doing activities and playing games in the gym.
Art Club	Through various mediums and artistic styles students will create their own personal “Artist’s Book”.
Library Club	Learn to organise the library and to add style by creating book displays, making recommendations and playing.
Disc Golf Club	Practice your putting and learn about disc golf.
Floorball	Like field or ice hockey, but played in the gym. Learn the skills and rules with Mr. Ivan.

*Hip Hop, Singing, Yoga, and Floorball are offered at an additional cost.
